Subject: Protest 2011-47-WS

To Whom It May Concern,

I am writing this to protest the 80% rate increase that has been proposed by Carolina Water Service.

Carolina Water Service has not given any justification for this significant rate hike. Can the Committee honestly add another unreasonable burden onto the backs of the American family? I am a single mother who is raising three children proudly without any government assistance. As most families do, we live from paycheck to paycheck. My family is on a strict monthly budget and cannot afford any additional increases, especially when I have not had a pay raise in three years.

I plead with the Committee to deny this unreasonable request.

Respectfully,

Viki Moak
